PROFFESIONAL PRACTICES

Health professional
Ammanueal specialized mental
health hospital

April 2022- June
2022

Location: Addis Ababa, Ethiopia

I have formerly worked for one month during my third year second semester class (Dec 2021- Jan 2022) their prior to this and it has given me various opportunities and experiences. Thought me ways to handle situation that are stressful in my work area.

Health professional
Hiwot fana specialized university
hospital

March 2022- March
2022

Location: Harar, Ethiopia

I have worked as lesion psychiatry. It has showed me various co-morbid conditions that are occurring in other wards in the hospital besides the psychiatric ward. I was able to find ways to handle these situations

Health professional
Catholic charity mental health
hospital

August 2021-
October 2021

Location: Dire Dawa, Ethiopia

This job has been very illuminating about ways I which substance use has affected our society greatly. I was also able to reach out many patients in one intervention that has helped both the patient and me in different aspects.

WORK EXPERIENCES

**Nov 2022-Feb
2023**

➤ **INNER PEACE**

Location: Addis Ababa, Ethiopia

I have worked here in inner peace for about four months as an operation coordinator. This internship has given me a hands on experience in my managerial skills and as the projects done in inner peace greatly focuses on the premises of mental health my back ground education in psychiatry nursing was a support to the projects done in inner peace.

September

➤ **Murtis Taylor Human service** **2023- May 2024**

Location: 13422 Kinsman RD, Cleveland
OHIO 44120

I worked at the pharmacological department at the clinic section of Murtis Taylor as a case manager. I have also worked with children both age below six years old and above six years old. currently working in the school.
